The Royal Welsh Agricultural Society wishes to thank you for exhibiting at the Show this year. There have been a few changes to the classification and programme; please refer to the schedule.

The Society wishes to ensure that all exhibitors enjoy their experience at the Show, so here are a few points which might help alleviate any problems during the event:

- **Rules** - All exhibitors must be fully cognizant with the Society's rules and regulations.
- **Payment** - No entry will be accepted without payment. Any exhibitor whose cheque is returned from the bank, may have their entry/ies cancelled for the Show.
- **Ticket Allocation** - Please refer to regulation 16 in the Livestock schedule for your ticket entitlement. Any additional tickets you require will need to be paid for, these can be ordered by completing the back page.
- **Duplicate Tickets** - No duplicate tickets will be issued if they have been lost; exhibitors will be charged for any replacements.
- **Vehicle Passes** - One vehicle pass per owner will be issued. Restricted to one further vehicle pass which will be charged at £25. A letter should be submitted with the entries stating the reason that the extra pass is required. Please ensure that your travel arrangements have been made well in advance of the Show in order to avoid problems closer to the event.
- **Late entries** - Late entries are not accepted. You are advised to send your entries in as soon as possible and not to delay posting them until just before the closing date.
- **Post** - Due to the level of entries received, the Society is unable to inform you whether your entry has been received until it has been processed. Therefore you are advised to send your entries by recorded delivery if sent close to the closing date.
- **Entries** - Please note that **no entries will be accepted by fax or e-mail**; only posted or delivered entries will be processed.
- **Responsibility** - The catalogued exhibitor will be held accountable for any misbehaviour by themselves or by any person(s) involved with the handling and preparing of their animals whilst on the Showground.
- **Dress** - Exhibitors and grooms are expected to wear suitable attire whilst competing or parading in the judging and collecting rings at the Show.
- **Classes Entered** - Please double check the classes you have entered before sending your entries, as it will not be possible to transfer classes after the closing date of entries. Incorrectly filled in forms have resulted in many exhibits not being able to attend the Show in the past.
- **Caravans** - The Internal caravan park has a limited number of spaces therefore not all cattle exhibitors will be guaranteed a space in this caravan park. Requests will be dealt with on a first come first serve basis.
