TALIADAU YMGEISIO · ENTRY FEES
Please see the beginning of the Livestock Schedule for the entry fees. There are no entry fees for special awards and no prize money is payable except where individually offered.

If entries are withdrawn in writing prior to Friday, 24 June, £2.35 of the entry fee will be withheld to cover printing costs. Please note that under HOYS conditions, for those classes that carry a HOYS Qualifier, the HOYS entry fee of £12.00 cannot be refunded.

As a condition of entry to the Show, all exhibitors must have Public and Products Liability Insurance cover for a minimum of £2,000,000. **Proof of cover to be provided on request during the entry process.**
TALIADAU STABL · STABLE FEES

A fee of £30.00 (including VAT) will be charged per stable, per night. As stables are limited, not all exhibitors can be accommodated. Exhibitors will be informed accordingly. Stables are allocated on a first come, first serve basis. Exhibits must be stabled in the box allocated. All stables must be vacated by 7.00 pm daily to enable them to be prepared in readiness for the next day's exhibitors. However, the next day's exhibitors will not be allowed to enter the stables until 7.30 pm daily. For example, if an exhibitor was showing on Tuesday, they would require a Monday stable which would accommodate the equine from 7.30 pm Monday until 7.00 pm Tuesday.

The Society provides an alternative stabling arrangement for any entries that it cannot accommodate on the Showground. The stabling site is called Wernfawr and is a mile away from the Showground. All necessary facilities are provided and the stable fee at the site is £25.00 (including VAT) per stable, per night. Exhibitors must complete the relevant section of the entry form to confirm whether they wish to be considered for the Wernfawr stabling site.

Stables are to be used for equines only. In cases of emergency, the Society will not be held responsible for the equines if they have to be let out of their stables.

If exhibitors use stables that have not been booked, paid for or allocated to them, they will be barred from booking stables for a period deemed appropriate. Stables are not transferable between exhibitors. The Society reserves the right to re-allocate stables at its discretion. Stable fees may be refunded if cancelled, in writing and received before Friday, 24 June. No stable fees will be refunded after this date.

Any horse that qualifies for the Ridden, In-Hand or Driving Championships (Thursday, 21 July 2016) may, at the discretion of the Assistant Honorary Director of Horses, receive a stable free of charge for the night(s) required. The Exhibitor MUST gain a permission slip from the Assistant Honorary Director of Horses in the Main Ring Control Tower once they have qualified for the Championships, and supply this to the Society's Horse Foreman in order to gain their stable.

CYRRAEDD · ARRIVAL

Exhibits should arrive no later than two hours before the scheduled judging time. No exhibit/horse exhibitor will be allowed onto the Showground before 12.00 noon, Saturday 16 July. A holding area will be provided from 11.00am Saturday, 16 July. We advise all exhibitors that they do not arrive prior to 11.00am, Saturday 16 July. All exhibits may be subject to veterinary inspections. All vehicles will be inspected upon arrival. Any vehicle displaying a “vehicle towing horses” pass and not carrying horses shall be turned away from the Showground. Horse exhibitors showing for one or two days will receive day vehicle passes for the day(s) concerned only. Such passes are valid from 6.00pm on the night prior to showing until 7.00pm on the day of showing.

YMADAWIAD · DEPARTURE

Will be permitted after judging if the exhibit is not taking part in a Main Ring Parade.

SAFON GWISG · STANDARD OF DRESS

Please note that any judges, stewards, exhibitors or grooms deemed to be inappropriately attired will be prohibited from entering the Show rings (Men should wear a shirt and tie and women should be classically dressed). No reference to stud names etc should be visible on any clothing. No refund will be issued to any exhibitor who is unable to compete due to being turned away for poor attire. Anyone riding an equine anywhere on the Showground must wear a hat to British Standard specification appropriate to the relevant Section in which they are exhibiting.

TYWYSWYR · HANDLERS

All handlers must be a minimum of 14 years old on the first day of the Show for the judging of all the in-hand horse classes and to lead a horse/pony down the horsewalk and for the Main Ring parades. All persons leading a horse into the ring must walk and not trot or gallop; failure to comply with this rule may result in your exhibit being disqualified from judging.
The first three prizewinners in each class MUST parade as shown below; other prizewinners have the option to parade. Any exhibitor who ignores this rule will **forfeit his/her prize money**. Exhibitors MUST hand in their parade card to the designated steward when lined up in the parade. All handlers must be a minimum of 14 years old on the first day of the Show for the Main Ring parades.

If any exhibitor feels they have a valid reason to be excused from the parade, they MUST complete a pro-forma in the Main Ring Control Tower, outlining their reason for not parading. The Assistant Honorary Director - Horses, Mr Chris Davies, will then approve or decline the exhibitors request following the Show.

The 2016 RWAS Horse Young Handler Competition will encompass all four Welsh Sections and the Welsh Part-Bred Section. No stallions or mares with a foal will be permitted. All horses in this competition MUST be registered with the Welsh Pony & Cob Society and be entered into one of the showing classes in order to compete. The purpose of the competition is to find the best Young Handler from competitors in the four Welsh Breeds and the Welsh Part-Bred section.

A preliminary round will be held in the Horse Ring at 4.30 pm on Tuesday, 19 July 2016.

Competitors must enter this competition by the closing date of entries, 27 April 2016 stating their date of birth. No entry fee is required. All eligible handlers must declare their intent to compete in the Competition to the declarations steward in the Horse Foreman’s Hut, by 12 noon on Tuesday 19 July 2016, where they will be supplied with a number and an armband, which must be worn prior to entering the ring. Those competitors not wearing an armband, or who fail to declare will not be permitted to enter the competition regardless of whether they had entered on their entry form.

The Competition will be split into two age categories - 14-16 years of age and 17-19 years of age by the first day of the Show. The judges will choose the top four young handlers from each age category without giving the final placings. This will result in eight finalists going forward to the Championship. Each finalist will receive a WPCS Bronze Rosette. The eight finalists will be judged at 11.30 am Thursday, 21 July 2016 in the Main Ring. Exhibitors MUST show the same horse in the final as that used during the preliminary judging. The judge will choose the Champion Young Handlers in both age categories, who will then compete for the Overall Championship.

All eight finalists are encouraged to take part in the Grand Parade following the final judging.

THE ROYAL WELSH DRIVING CHAMPIONSHIP
The Concours d'Elegance is designed to establish the most elegant turnout. The essence of the competition is the word 'elegance' and the winner will be the turnout, which, in the opinion of the judge presents the most elegant effect. This will obviously include horse, driver, passenger, etc. but above all the general impression. It is judged from a distance and vehicles are NOT closely inspected as in ordinary show classes. The whole object of the class is to establish which turnout presents the most pleasing picture and normal judging criteria does not apply.

Attention may well be paid to drivers' and passengers' personal attire, but a fancy dress or period costume is definitely barred. From the above it will be seen that the requirements are quite different from those governing the ordinary show classes, and turnouts which may do well in ordinary classes will not necessarily succeed in this competition. Horse, harness and vehicles will not be subject to the detailed inspection required in show classes, nor will performance be judged except in so far as that a very poor performance may render an exhibitor 'inelegant'.

Classes 295-299 - THE REAL DAIRY CREAM COMPANY
Special 300 - MR BARRIE W JONES, MACHYNLETH

Please refer to Rule No. 12 - Cancellation of Classes.

All exhibitors must be paid up members of the SHS.

Grade A horses are eligible to compete in pedigree Shire Horse classes as well as horses in the Stud Book proper and in the Grade B Register. However Grade A horses are not eligible to compete for the SHS silver spoons. Colt and filly foals out of Grade A or B registered mares by a registered Shire stallion are eligible to compete in foal classes. This does not apply to yearlings or older colts, which must be out of full registered mares.

If there are any classes with less than three entries forward for judging, the relevant classes will be amalgamated on the day of judging.

Following a very generous anonymous donation, Shire exhibitors will pay half price for their stables this year. Only one night's stabling and one stable per Shire entry will be covered by this offer.

The first and second prize winners to go forward into the judging of the Championship. To be judged on Thursday, 21 July.

DEFINITION OF CLASSES AT THE SOCIETY'S SHOW AND REGULATIONS GOVERNING THE SAME

No variations to the rules and regulations will be enforceable unless made in writing by the Society.

1. PENALTY FOR BREAKING RULES
   The Board of Directors reserves the right to bar from exhibiting, either in person or through a nominee or agent, any exhibitor, who, in the opinion of the Board, contravenes or has contravened any of the Society’s Rules, Regulations or Conditions or who has been disqualified or prohibited from exhibiting or has been fined or otherwise dealt with under the said Rules, Regulations and Conditions, for such period as it shall think fit.
   The Board of Directors may refuse to accept an entry without giving any reason for such refusal. Should any member or exhibitor conduct himself or herself in an improper or offensive manner on the Showground or if it be proven to the satisfaction of the Board of Directors (or of any official of the Society to which the Board has delegated such responsibility) that any member or exhibitor has attempted to mislead the Society by any form of misrepresentation whatsoever or has failed to provide a satisfactory explanation for a failure to produce an exhibit duly entered for a Show or has violated any of the Rules or Regulations of the Society then, and in any such case, the Board of Directors may decline to allow the member concerned to renew his or her membership or the exhibitor concerned to exhibit at any future Show of such period as the Board of Directors may in its absolute discretion determine and may forfeit any prize or prize money of such exhibitor.

2. EXHIBITS NOT FORWARD FOR JUDGING
   Any exhibitor who is unable to attend the event, must inform the Society in writing by 24th June, a refund will then be issued. After this date, although no refund will be issued, exhibitors must still inform the Livestock Office of their absence in writing. Any tickets and passes received must be returned directly to the Livestock Office by 21st July 2016 with a receipt as proof of return.
   Failure by any exhibitor to notify the Society of their absence in writing and return any tickets or passes received, may result in action being taken against that exhibitor. Under the terms of the Society’s Disciplinary Procedure, any exhibitor who is found to have breached the Society’s rules may be barred from exhibiting at future shows for a period of time.
   Any Exhibitor whose animal becomes injured whilst on the Showground and is unable to compete in its class, must be certified by one of the Society’s vets. The vets certificate MUST then be supplied to the Livestock Office. Failure to adhere to these procedures may result in disciplinary action being taken as per above.
   The Society may issue a refund after 24th June 2016 in exceptional circumstances, which the Society will decide upon, each case on its own merits. Any such refund would be subject to all tickets and passes being returned to the Livestock Office no later than 15th July 2016, with a receipt as proof of return. Those who post their tickets must do so by recorded delivery with the proof of postage retained.

7. NON-SOCIETY CUPS, TROPHIES AND AWARDS

8. AWARDS OFFERED
Only the signed awards of the Judges will be accepted by the Society as evidence that a prize has been awarded and the production of a prize or rosette by the exhibitor will not entitle him or her to a prize.
Results sheets will not be displayed until the end of judging.

9. REGULATIONS AS TO THE PAYMENT OF PRIZE MONEY
The Society will send out all the prize money (Where BACS details have been provided) via BACS. The prize money, where there is no dispute in accordance with the terms of the Rules & Regulations, will be paid out within two months of the Show. Any outstanding accounts due to the Society may be set-off against any prize money or other amount owed to the exhibitor.

10. FORFEITURE OF PRIZE MONEY
Any infringement of any Rule, Regulation or Condition, will render the exhibitor liable to a fine of £50 by the Stewards, and to the forfeiture by order of the Board of Directors, of any prize he or she may be entitled to.

11. POWER TO CANCEL AWARDS
Any person who shall have been shown, to the satisfaction of the Board of Directors, to have been excluded from exhibiting for prizes at the exhibition of the Society, in consequence of having been convicted of any attempt to obtain a prize by giving a false certificate, or by other unfair means, shall not be allowed to compete for any prizes offered by the Society at any of its Shows, until otherwise decided by the Board of Directors.
If, through any evasion, such person shall make an entry and obtain an award, the Board of Directors shall have power to cancel such award and withhold the prize money.
Any person who has been disqualified from exhibiting for prizes at the exhibition of any Society, under the preceding condition, shall not be allowed to act as agent, representative or servant of any exhibitor at any of the Society's future Shows, until otherwise decided by the Board of Directors.

In the event of any class or section being cancelled entrants therein will be notified as soon as possible after the closing date of entries and their fees will be returned.
(b) If, at the discretion of the Society, two or more dairy breeds are amalgamated owing to insufficient entries, a Champion in each individual breed will be chosen.

17. MEMBERSHIP PRIVILEGES
No member of the Society will be accorded the concession of making entries at the reduced fees unless his or her membership subscription for that year has been paid by 1st February. The Society will accept Applications for Membership following this date, however, all Applications must be accompanied by:
- Cash/Cheque in respect of 2016 Membership Subscription.
- Fully completed Direct Debit Instruction (used to arrange payment of Membership Subscription on 1st February in subsequent years).

18. ENTRY CONDITIONS - SPECIAL PRIZES
No entrance fee is charged to a member or non-member for a special prize, championship prize or challenge cup, but no exhibit can be entered to compete for a special prize, championship prize or challenge cup, unless already entered in a class for which an entry fee is chargeable. No prize money will be awarded for special prizes unless printed under the relevant section in the schedule.

19. CLOSING DATE OF ENTRIES
27th April 2016
Particular attention is directed to the fact that dates stipulated for the closing date of entries will be very strictly adhered to. Late entries will NOT be accepted.

20. COMPLETION OF ENTRY FORMS
Entry forms may be obtained from the RWAS Office. To prevent any inconvenience and delay, applicants for entry forms are requested to name the kind of stock they are proposing to enter. No stock will be accepted for exhibition unless the certificate of entry, filled in upon the official entry form, completed and signed by the owner in the manner directed and shall have been delivered to the RWAS Office or sent (postage paid) direct to the same on or before the closing date of entries.

21. ELIGIBILITY OF ENTRIES
All exhibitors and exhibits must be registered with their respective Breed Society. All horses, except for foals, entered in Sections requiring them to be registered, should be formally registered, with the registration numbers supplied by the closing date of entries (27th April 2016)

22. RESPONSIBILITY OF EXHIBITORS
Exhibitors are alone responsible for the accuracy and eligibility of their entries. Entry fees are not returnable to an exhibitor who enters an animal in a class for which it is ineligible or for entries which are withdrawn after the date of entry has expired.
Exhibitors are expected to behave responsibly at all times, any irresponsible misconduct or abuse of Health and Safety regulations by exhibitors to their exhibits, or towards any Society stewards will be dealt with as defined in the current Livestock Rules & Regulations (1, 10, 13, 65 & 66). All exhibitors should note the Management of Health and Safety at Work Regulations 1992, which requires co-operation and co-ordination between all exhibitors and the RWAS. The requirements on both are to carry out adequate risk assessments covering the work to be done. It is then necessary to implement any procedures as required by the above legislation, and also inform all those concerned of these assessments and procedures.

Animals which are known to be wild or fractious by nature must not be brought to the Showground.

Animals which are subject to restrictions under the Animal Health Act 1981 (as amended) or the Animal and Animals Products (Import and Export) (England and Wales) Regulations 2000 will not be allowed onto the Showground.

Exhibitors in all sections (except goats) are not permitted to enter an animal in any class, which is to be judged by a person who has or had a financial or other interest in the animal, or which has stood in his or her yard. Exhibitors should adhere to the specific rules of their relevant breed society on this matter, where such rules are available. The onus of complying with this regulation rests entirely on the exhibitor. In all Interbreed Championships the onus rests on the exhibitor to stand down if the interbreed judge has or had a financial or other interest in the animal or if it has stood in his or her yard.

23. DATES OF BIRTH
The ages of the cattle are (except where otherwise specified) calculated to the first day of the Show, but horses, sheep and pigs will be duly classified by the age estimated from 1st January in each year (thus a foal born at any period in 2015 becomes a yearling on the 1st January 2016). The exact date of birth of each animal must, wherever possible, be stated on the entry form, in order that the judges may take the actual ages into consideration in deciding upon the relative merits of the animals in each class.

24. PROPERTY OF EXHIBITORS
Every exhibit must at the closing date of entries be the bona fide property of the person or persons in whose name(s) the entry appears in the catalogue, except in the case of an animal contractually leased or on hire, or by prior special permission of the Board of Directors and must remain so until the end of the show.

25. SUBSTITUTIONS
An exhibitor who has made an entry of horses, cattle, sheep, pigs or goats in a particular class, will be permitted, up to the 1st June, to withdraw the entry of such animal and to substitute for it an entry of another animal in the same class which was his or her bona fide property at the time of his or her original entry. The additional fee will be £1.00 for each substituted entry.

No substitutions will be accepted after 1st June (except as provided for under Rules & Regulations 26 below).

26. SPECIAL SUBSTITUTIONS
In the event of any animal duly entered for the Society's Show becoming ineligible for exhibition as a consequence of restrictions imposed by the National Assembly for Wales Agricultural Department, the Board of Directors reserves the right to allow the owner of such animal to substitute another one for it. In the event of substitution after the Official Catalogue has gone to press, full particulars of the substituted animal shall be displayed on its box, stall or pen.

27. CONTAGIOUS DISEASES
Any livestock exhibitor shall pay to the Society for any costs incurred for liquidated damages if any animal which he or she exhibits is, to his or her knowledge, suffering from
any contagious or infectious disease, and for each and every such animal if more than one.

28. **STOCK FOR SALE**
Exhibitors are invited to indicate on the entry form whether the entry is offered for sale. This information will appear in the Official Catalogue.

29. **CORRECTNESS OF ENTRY**
Every exhibitor shall prove the correctness of his or her certificate of entry to the satisfaction of the Stewards if and when called upon by them to do so. Failing to furnish the required proof, he or she may be prohibited from exhibiting. Any prize, if awarded, may be withheld and the award cancelled. Any animal found at the Show incorrectly ear marked will be removed from the Showground. Exhibitors should note that in the event of a dispute the Society reserves the right to carry out DNA testing.

30. **CORRECTNESS OF CLASS ENTRY**
The judges, with the sanction of the Stewards, will withhold prizes from exhibitors whose animals are entered in the wrong class, but if an exhibitor can prove to the satisfaction of the Stewards who can refer to the original entry form, filed in the Livestock Office on the Showground, that an entry has been catalogued in the wrong class through a clerical error of the staff or through a printer’s error, the Stewards are empowered to have such exhibit judged in the class intended by the exhibitor.

31. **PROOF OF ENTRY**
No exhibits will be received at the gate unless the official entry document is shown as proof of entry.

32. **ADMISSION TICKETS**
Exhibitors must show their exhibitors admission ticket each time they enter the Showground. No-one shall be allowed to enter the Showground without the correct tickets and passes. The exhibitor will be responsible for the proper use of the tickets and passes issued to his or her attendants. In case of transfer, or other improper use of a ticket or pass, the exhibitor may be required to pay a fine of £30.00 for each case during the event or be referred to the Society’s Disciplinary Panel following the Show.

33. **CONDITIONS OF ADMITTANCE**
Persons are admitted to the Showground at their own risk and vehicles and their accessories and contents are admitted to and left in the Show car parks at the owner's risk, and, while every endeavour is taken to ensure the safety thereof, the Society will not (save for death or personal injury caused by the negligence of the Society, its servants or agents) be responsible for personal injury (whether fatal or otherwise) loss of or damage to property and any other loss, damage, costs and expenses however caused.

34. **CAR PARKING CONDITIONS**
Persons are admitted entry to the Show car parks at their own risk and vehicles and their accessories and contents are admitted to and left in the Show car parks at the owner's risk, and, while every endeavour is taken to ensure the safety thereof, the Society will not (save for death or personal injury caused by the negligence of the Society, its servants or agents) be responsible for personal injury (whether fatal or otherwise), loss of or damage to property and any other loss, damage, costs and expenses however caused. Caravans and other vehicles used for accommodation - With Health and Safety/Fire Regulations having to be rigorously administered this year, exhibitors **MUST** state on their remittance form if their vehicle will be used for accommodation during the show. There will not be a fee for exhibitors using their vehicles for accommodation.
Exhibitors requiring caravan plots are requested to submit their entries in good time as these are very limited and will be allocated on a first come first served basis.

All vehicles and caravans used for accommodation must be parked 2.5 metres apart to meet current fire regulations. All caravans and other vehicles used for accommodation MUST carry a suitable fire extinguisher (5-kilo dry powder type).

Horse Exhibitors only – A caravan will not be admitted onto the Livestock Hill if it is being towed by a lorry.

35. ARRIVAL ON THE SHOWGROUND
Livestock Gate will be opened for stock at 9.00 am Saturday 16th July.
Horse Hill will be opened for horses at 12.00 noon Saturday 16th July

All vehicles will be inspected on arrival. Any vehicle displaying a “vehicle towing horses” pass and not carrying horses shall be turned away from the Showground. Horse exhibitors entering six or more horses will receive a second vehicle towing horses’ pass free of charge.

Any exhibitor who arrives after the stipulated arrival times shall at the Society’s discretion be barred from showing for a period deemed appropriate by the Society’s Board of Directors.

36. DEPARTURE OF EXHIBITS AFTER THE SHOW
Departure of all exhibits is referred to at the commencement of each section and these times will be strictly adhered to. Exhibitors should take note that all exhibits must comply with this Regulation in that tails must be long enough to cover the Vulva of the female and the Anus of the male.
91. PIG ENTRIES

(a) A breeding sow in any of the classes if in pig shall be certified to be in pig at the time of entry. In the case of an ‘in Pig’ sow, the prize will be withheld until the exhibitor shall have furnished the Secretary with a Certificate of Farrowing.

(b) If a litter of pigs be sent with a breeding sow, the young pigs must be the produce of the sow, and must not exceed two months old.

(c) In the event of a protest being lodged against an exhibit on the ground that it does not comply with the age requirements of the class in which it is entered, the exhibit shall be submitted to the detection test by the Society’s Veterinary Officers, and the decision shall be final. In applying the test, pigs with either one of their permanent incisors cut will be considered as exceeding six months old, pigs with their central permanent incisors up, and any of the three first permanent molar cut will be considered as exceeding twelve months old and pigs with their lateral permanent incisors fully up will be considered as exceeding eighteen months old.

(d) Any pig, found to be artificially coloured, either at the time of judging or afterwards, will be disqualified. The use of artificial whitening and/or powder on white breeds is prohibited and will lead to disqualification.

(e) The judges will be instructed to withhold prizes with the sanction of the Stewards, from any animals, which appear, to them to have been entered in the wrong class.

(f) The prizes in the pig classes are offered subject to any orders of the Ministry of Agriculture or of the Local Authorities. No pigs from a “Swine Infected Area” can be admitted for exhibition.

(g) The Society reserves the right to limit entries and/or pens if necessary.

(h) For health & safety reasons, all persons present in the Pig Ring during judging, handling pigs in the Main Ring Parade or present with pig handlers in the Main Ring Parade, MUST be a minimum of 11 years old on the first day of the Show. (This rule does not apply to the Young Handler Competition)
