

Young Handler Awards

Pigs - Junior

Winner: Emyr Roberts

The Thursday morning of the show had arrived and it was time to prepare to compete. I had helped my Dad to wash Gwynys Nina 2432 in the morning.

I put on my shirt and tie and a white coat (and new boots!). Then it was time to lead the gilt into the ring, where the four of us were competing for the 1st prize. My parents reminded me that I had to concentrate and keep an eye on the judge whilst leading the pig around the ring.

The gilt behaved especially well and followed my instructions. The judge asked me what breed of pig it was and then asked me to lead her down the ring away from him before turning and walking back to him.

It was quite a shock to receive the first prize and I nearly forgot to shake hands with the judge. I received a certificate, three rosettes and even more importantly, an envelope with money in it!

Thank you.
